

# GLOBAL HEALTH SHORT COURSE

Global Health Short Course (GHSC) is a student driven campaign designed to promote global issues affecting the health of the world's population. GHSC aims to satisfy a gap in the need for a global health forum amongst students. Today, we are well recognised within Western Australia's global health fraternity as an avenue for fostering global health education.

To do this we invite inspiring speakers who are leaders on both local and world platforms to share their passion in engaging presentations. We endeavour to select topics that may be controversial or poorly understood whilst still ensuring that important global issues are addressed. Presentations are followed by breakout sessions, where discussions and activities galvanize participants by providing further opportunity to engage with the content and explore how knowledge can translate to action.

## ROLE DESCRIPTION AND RESPONSIBILITIES

### Promotion Officer(s)

- Contact unit coordinators and other relevant people to request permission to advertise the event on LMS or in lectures
- Lecture bash to a variety of different cohorts to promote the event to people studying all kinds of health careers
- Promote the event online in cohort-specific Facebook groups
- Attend relevant meetings with the GHSC team and external parties (where appropriate) and be responsible for delegated tasks
- Be available for the duration of GHSC 2020 (Thursday May 7th)

### Logistics Officer(s)

- Be responsible for the catering (contacting potential restaurants, working with the coordinators to decide on final options, ensuring smooth service of food)
- Work with the Coordinators to ensure event metrics are completed (e.g. recording delegate attendance at sign in)
- Assisting with any global health causes internal or external to Interhealth present during the event with their stall set up and relevant promotion/engagement with our delegates
- Attend relevant meetings with the GHSC team and external parties (where appropriate) and be responsible for delegated tasks
- Be available for the duration of GHSC 2020 (Thursday May 7th)

### Media Officer(s)

- Create visual media to promote the event, including the event banner, posters, flyers and schedule of the night.
- Work with the Coordinators to ensure social media is kept up-to-date and aesthetically pleasing
- Attend relevant meetings with the GHSC team and external parties (where appropriate) and be responsible for delegated tasks
- Be available for the duration of GHSC 2020 (Thursday May 7th)

## APPLICATIONS

There are no limits to the number of successful applicants for each role on GHSC. Fill in the following Interhealth Subcommittee Form;

<https://drive.google.com/file/d/1xI-CRQfJLuwOXSyJz3dAfohUMwM1PA9V/view?usp=sharing>

If you have any questions about the roles, requirements or application process, please contact the 2020 Coordinators, Alex Armanios and Aidan Lewins, at [ghsc.interhealth@wamss.org.au](mailto:ghsc.interhealth@wamss.org.au).
